Highlights

1000 DPI high accuracy

The high 1000 DPI resolution makes this mouse extremely accurate. That means less movement, less effort and greater comfort and efficiency.

4 way scroll wheel

Scroll in any direction with the handy 4-way scroll wheel of your mouse. Perfect for games or large spreadsheets, you can stop dealing with annoying scroll bars and move anywhere onscreen freely and easily.

Precise optical sensor

Philips optical technology ensures extra accuracy and responsiveness. You can work with it on most surfaces, including wood, plastic or paper.
